About Us

www.shapeshiftersin.com

812-400-0580

In 2017 Justin and Michelle Hardy acted on their common goal to bring their passion for supporting the warfighter closer to home by starting a small, woman-owned business appropriately named Shape Shifters. With a combined 25 years of experience working along side one another, we strive daily to provide exceptional quality product built right in the heart of South Central Indiana. We believe in building honest relationships with our clientele and operate under basic principles such as open communication, quality, transparency, logic and creativity.
